

# Statistics 206 Autumn 2007

Focus Survey

Name:

email:

Are you a graduate, an undergraduate, or other?

Field of study or major?

## Foundations

Which probability/statistics class have you taken?

Do you know the meaning of the following terms ?

Sampling Distribution

Yes  No

Random number generator

Yes  No

Choleski Decomposition

Yes  No

Bias

Yes  No

Covariance matrix

Yes  No

Maximum likelihood

Yes  No

Monte Carlo method

Yes  No

Multivariate normal

Yes  No

Singular Value Decomposition

Yes  No

Smoothing

Yes  No

Non parametric regression

Yes  No

Eigenvalue

Yes  No

## Web Pages

Do you connect regularly to Web Pages?

Yes  No

Is it helpful?

Yes  No

## Computing

Have you ever used R?

Yes  No

Do you have a leland account?

Yes  No

Do you use LaTeX?

Yes  No

Would you like me to do 'computing' examples in class?

Yes  No

## Material Covered

Are there special topics you would like covered? If so which?

## Lab times

What times are available for an extra lab?

Tuesday 2.30-3.30

Yes  No

Monday 3.00-4.00

Yes  No

Tuesday 3.00-4.00

Yes  No

Thursday 3.00-4.00

Yes  No

Other times :
